I am an enthusiastic, hardworking and reliable individual who has over 2 years of experience giving efficient, high quality and professional service to various individuals and companies. I am skilled and expert in IT support, telemarketing, virtual assistance, ghost writing, customer support, customer service and communicating with clients over emails and phone. I have experience with live chat support, Zendesk, Trello and providing marketing Leads. I am eager to learn and use any new tool required by the job to get the job done. I'm a team player, but can still work alone if need be. I meet deadlines and also go extra miles to get the job done. I look forward to working with you in providing excellent customer service and anything else you may need help with. Thank You.
