

Accounting assistant

While pursuing my studies (ACCA level 2), I have forged a solid professional experience in accounting for 5 years. Having acquired quality knowledge and skills, I am now looking forward for more challenge and knowledge. I would like to acquire more know-how and knowledge by integrating your team. I am sure that I can be at the level of the tasks to be completed and be effective for the department. Rigorous and organized, I am convinced that my profile corresponds perfectly to your expectations. I will be happy to meet you to share with you my deep determination and desire to work.
